- Adaptability
- Time management
- Problem-solving
- Attention to detail
- Creative storytelling
- Media encoding and transcoding
- Digital asset management (DAM)
- Multi-camera and reality shooting
- Color correction and sound design

EXPERIENCE

Video Editor/Producer / Flashcut Productions

- Rapidly edited and produced high-impact segments as a Crash Editor for NBC, ensuring timely and visually compelling news coverage while maintaining a reputation for precision, efficiency, and creative problem-solving under tight deadlines.
- Spearheaded the end-to-end production process, seamlessly integrating editing, sound design, and visual storytelling to craft cinematic and emotionally resonant content for a diverse range of clients, including branded content, music videos, and actor reels

Editor / Discovery ID

- Applied advanced storytelling techniques and precision editing to craft emotionally gripping crime and medical documentaries, ensuring seamless pacing, continuity, and impact in productions such as *Mystery Diagnosis*, *Dates From Hell*, and *Stranger Among Us*.
- Edited and structured compelling true crime and documentary narratives, seamlessly integrating dramatic reenactments, interviews, and archival footage to heighten suspense and audience engagement across series like *Homicide Hunter*, *Deadly Sins*, and *The Wrong Man*.
